Key to Abbreviations and Scoring

Stage score - total time (score) for each stage, including all penalties

Raw time - actual clock time from the string or strings shot

Total penalty seconds -target points down converted to seconds plus other penalties. Add this to your raw time to get your stage time (score) for this stage.

Penalty % of Stage Score - percentage of your score time contributed by inaccuracy and penalties

Target Points down -each target point down adds 1/2 second to your score.

Procedural error - each procedural adds 3 seconds to your score.

HNT (hit on non-threat target) -each non-threat hit adds 5 seconds to your score.

FTN (failure to neutralize) - each failure to neutralize adds 5 seconds to your score.

FTDR (failure to do right) -each failure to do right adds 20 seconds to your score.
